The Landmark Advanced Course

Feb 26, 27, 28; Mar 2, 2010

Each of us has a sense of something possible beyond the ordinary. Each of us has moments when something about our lives, our family, our community, our world awakens in us a sense of possibility. Each of us has glimpses of that most fundamental of all possibilities - that life really could be extraordinary. The Advanced Course is based on the premise that each of us can enjoy that life now - an extraordinary life, a life of possibilities.

This course leaves you with the technology for creating and designing a future that is informed by the past but is in no way limited by the past. It gives a completely different quality to life in the present - a freedom to live powerfully now.

Powerful and fun, The Landmark Advanced Course includes one-on-one coaching, audio/visual demonstrations, individual work with the course leader in front of the room, and hands-on practice in the use of Landmark's technology.

The Landmark Advanced Course takes place during three consecutive days - Friday, Saturday, and Sunday, from 10:00 AM. to approximately midnight. There is also an evening session the following Tuesday from 7:00 to 10:15 PM. to complete the course. Breaks are scheduled regularly throughout the day, including one 90-minute meal break. Prerequisite: Completion of The Landmark Forum. © 2009 Landmark Education
